PECSRL 2018

PECSRL 2018

EUROPEAN LANDSCAPES FOR QUALITY OF LIFE ?

3–7 SEPTEMBER 2018

POST-CONFERENCE FIELD TRIP: 7–9 SEPTEMBER 2018

IN CLERMONT-FERRAND AND MENDE, FRANCE

The 28 th session of the PECSRL biennial international conference – " European Landscapes for Quality of Life ?" – will be held in 2018, at two locations: Clermont-Ferrand and Mende. This general theme encompasses the interactions between quality of landscapes, quality of food and quality of life, the importance of re enrooting food to place as an alternative to the globalization and Health and quality of life in connection with landscapes.

It will be hosted by the research group "territoires", an interdisciplinary unit that gathers geographers, economists, agronomists, social and politic scientists from 5 institutions (Agro Paris Tech, Clermont Auvergne University, INRA, IRSTEA, VetAgro Sup).

The conference brings together geographers, landscape architects, historians, ethnographers, archaeologists, ecologists, rural planners, landscape managers and other

scholars interested in European landscapes. The conference offers ample facilities to meet colleagues from all parts of Europe, to get informed about various aspects of European landscape research and to initiate new projects. In addition to paper sessions, poster presentations, workshops and plenary sessions, there will be one full day of field trips to provide the PECSRL participants with a detailed knowledge of some rural landscapes in the Massif central.

More information will follow soon.

EKLIPSE OPEN CALLS

EKLIPSE

Knowledge & Learning Mechanism
on Biodiversity & Ecosystem Services

Developing
a mechanism for
supporting better
decisions on our
environment based
on the best available
knowledge.

CALL FOR REQUESTS No.2/2017, EKLIPSE – JULY 2017

Announcement of the selected request: Week starting 13th November, 2017

Deadline for applications: 2nd October, 2017

EKLIPSE is developing a European Mechanism to answer requests from policy makers and other societal actors on issues related to biodiversity and ecosystem services.

Policy and other societal actors are invited to identify topics or evidence needs relating to biodiversity and ecosystem services and of EU policy relevance, requiring in-depth analysis and a consolidated view from science and other knowledge holders. We particularly encourage the building of consortia representing policy, research, NGOs or individual applications from policy or other societal actors.

For details, we kindly invite you to take a look at the call text attached or to visit:
http://www.eclipse-mechanism.eu/open_call

For any questions, please contact secretariat@eclipse-mechanism.eu

More information on the processes and the EKLIPSE project funded by the EU in H2020 is available at: www.eclipse-mechanism.eu
